

REMARKS

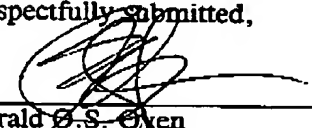

In paragraphs 3 and 4 of the Office Action, the Examiner indicated that claims 13 to 20 are allowed and that claims 4 to 8, 10 and 12 were objected to as being dependent upon a rejected base claims but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In this Amendment, the Examiner has amended independent claim 1 to incorporate the limitation of dependent claim 4, which was indicated to be allowable. Claim 1 now is directed to identifying the "securing members" as "suction cups" which previously was the subject matter of dependent claim 4. Since the subject matter of claim 4 has been incorporated into claim 1, claim 4 has been cancelled. Dependent claim 5, which was dependent on claim 4, which has been cancelled, has been amended so that it is now dependent on claim 1. All of the other claims in the application remain as originally submitted.

It is submitted that the amended set of claims is allowable and this action at an early date is respectfully requested.

Respectfully Submitted,
